

Final Newsletter for July, 2021.

July 29th., 2021.

Dear Member,

I must apologise for the final change of plans for S.W.A.S.. Due to the complications involved in holding any kind of S.W.A.S. Meeting, the Committee have decided to **postpone ALL Meetings at the Hall until next year, 2022.**

I am sure that you will understand the reason for our decision if you have read my 'Amended Newsletter', dated 24th. July, 2021, explaining all of the safety regulations required of us.

Despite our willingness to try to get together, unreliable and inaccurate Lateral-Testing equipment could put us all in danger. Since the responsibility for your safety is at the very top of my list, I therefore have decided to postpone our Meetings until 2022.

I am certain that the majority of our Members will agree with this decision. Until we are all sure of our safety in a crowded area, it is far better to be safe than sorry.

Keep enjoying your painting meantime and stay safe and well.

With my best wishes to you and yours,

Jennifer Humphries.

(Lady Chairman)
