Welcome to the South Wales Art Society 129th Annual Exhibition.

The Society was founded in 1887 as the South Wales Art Society and Sketching Club. It has continued to live up to the ideals of its founder members which were set out in the Constitution of that year, having amongst many of its objectives, the promotion, encouragement and advancement of all types of art in South Wales by the way of Demonstrations, Critiques, Workshops and regular gallery visits to London .

The Memberships stands at 150, we meet fortnightly throughout the year, we also have a Monday Painters Group who meet fortnightly.

We welcome applications for membership from amateur and professional artists and also from those who although not practising artists are interested in the visual arts.

Our Annual Subscription is £35.00. Application forms can be obtained from www.southwalesartsociety.co.uk or our Facebook Page...South Wales Art Society, Community..
